As a dynamic and dedicated individual, I am a Laravel Developer with a passion for creating robust and efficient web applications. Currently completing a rewarding 4-month internship in Laravel development, I bring a fresh perspective and a hands-on approach to software development.

Experience

Dawat-e-Islami (IT department)

Php/Laravel developer (Internee) **2023 (Oct) => 2024 (Feb)**

- Demonstrated outstanding performance and dedication during the initial 4-month internship, leading to the conversion of the role to a permanent position in February.
- Actively participated in Laravel development projects within the IT department, showcasing proficiency in PHP and the Laravel framework.
- Demonstrated a commitment to continuous learning by staying updated on Laravel advancements and incorporating new skills into daily tasks.

Dawat-e-Islami (IT department)

Associate Software Engineer **2024 (Mar) => Present**

- Successfully transitioned from a high-performing intern to a full-time role due to exceptional dedication and technical aptitude.
- Contributed to the design, development, and maintenance of web applications using Laravel and PHP, aligning with best practices and coding standards.
- Collaborated with cross-functional teams to implement scalable features and enhance system performance.
- Actively involved in optimizing existing codebases, improving code efficiency, and participating in peer reviews.
